-----  
So, I walked along that path and reached the foot of the bridge. I saw a person standing there obstructing the fifteen fathom wide

road. Not even a fibre could creep through him. He had a turban of over fifty fathoms on his head. He was as tall as half the height of a Palmyra tree. He was clad in a white “veti” (loin cloth).

He had a robe flowing down to his ankles. He was looking intently at the water in the river. The river waters ran over only a single stone. Its colour was that of pure white milk. He stood gazing at this water. I went behind him and tapped him on his shoulder.

I asked him,

*“What are you gazing at?”*

He replied,

*“Have you come, Bawa?”*

*“It was you I was observing all this time.”*

I said,

*“Oh, is it me! You mentioned my name!”*

*“You say you were observing me!”*

*“How do you know me?”*

He replied,

*“There is nobody in this world whom I do not know! Nobody can venture here without my knowledge. No one but I can enter this country.”*

I asked,

*“Who are you, my dear?”*

He replied,

*“I am the guardian of this country.”*

I asked him,

*“How many roads are there in this country?”*

*“What are their names?”*

He said,

*“This is “Nalla Thanni Paniya Oor” (The lower-village of Good Water).*

*“There are four roads in this country. Nobody else can come here, except me. I knew that you would come here on this day at this*

*time. I knew that you would come to see Letchimi to speak to her. I have been waiting for your arrival at this time.”*

I asked him,

*“Why were you gazing at the river?*

*”You are a strange person”*

He replied,

*“A Big Gem” emerges in this river once in a very long period of time. I have been watching this river for a long time to take this gem. Whenever*

*”The Gem” comes up and I try to take it, the gem disappears inside. It has been deceiving me in this manner for a very long time.”*

I said to him,

*“You are a great man but you do not know this!*

*”Lord Allahu ta – Allah has created all mankind. He gives man only what has been intended for him in Awwal (pre-primordial age).*

*”He grants to each person only what he should receive according to his Naseef (fate).*

*"He would have already given you "[This Gem](#)", if it was ordained for you in your Naseef (fate).*

*"When you are not aware to whom "[This Gem](#)" is allocated? Why are you wasting your time on it?"*

**Guru (Shaikh):**

**“It is over sixty years since I came to Serendib (Sri Lanka). I was at Velli Malai (Silver Mount) at Kataragama for some time. I was at the foot of Velli Malai from the year One Thousand Eight Hundred and Ninety-Nine (1899) for about eighteen years. Thereafter I was at Jailani for about twelve years. I was at the foot of Adam's Peak for about eight years. I was for about four and a half years at the Rock Cave at Nuwera – Eliya where Sita had stayed.**

It is now eighteen years since I came to Jaffna in Serendib. Sixty-one years have elapsed since I came to Serendib. Today, the sixty-second year has commenced.

During this period, I have travelled to every nook and corner of the country and every village. I have gained a lot of knowledge and have studied many things.

I have toiled here, as I have done never before in my life. I have denied myself proper food, proper clothes, proper rest and proper sleep. I dedicated myself with love and devotion in my search for truth.

I have done the work of a coolie (petty labourer) and even tended the sick. (Bawa was a great physician). I have done the work of a barber. I have removed urine and faeces.

I have suffered immeasurably as the embodiment of God's Love and His Compassion in my tireless search for the Aathi, the Primal All – Pervading One.
